C. Commentary

The daily ministerial press briefing was led by the Chancellor, Rishi Sunak, who referred to a report published by the Office for Budget Responsibility (OBR) on the UK economy. The weblink is at A2. The OBR assessment is not a prediction but is based on one illustrative economic scenario and its consequences for the public finances. The Chancellor acknowledged the serious implications for the economy and whilst the government's financial support measures were intended to recover the economy as quickly as possible, he recognised that the government measures will not protect everyone. He was confident the UK economy would 'bounce back'.

The Coronavirus (COVID-19) data tracker website has moved. It is now accessible at <https://coronavirus.data.gov.uk/> - a weblink from this briefing note is at A6.
