- B49 [Alcohol consumption and harm during the COVID-19 pandemic \[report\]](#)

## C. Devolved administrations

### Information for Scotland, Wales, and Northern Ireland

- C1 [Information about COVID-19 and its impact on Scotland](#)
- C2 [Information about COVID-19 and its impact on Wales](#)
- C3 [Information about COVID-19 and its impact on Northern Ireland](#)

## D. Commentary

### [England](#)

England is in Step 4 of its [roadmap out of lockdown](#) with most restrictions now removed. However, the UK Government is urging caution whilst managing the risks as cases of

COVID-19 infections remain high, although reported cases have fallen for the sixth day in a row.

### Scotland

The whole of Scotland is at its protection level 0 and permissible activities are shown [here](#).

All major COVID-19 restrictions will be removed on 9<sup>th</sup> August 2021 if the necessary conditions on vaccination and harm reduction continue.

### Wales

The whole of Wales remains at its [alert level 1](#) and up to 6 people can meet indoors. Organised indoor events can take place for up to 1,000 people seated or 200 standing. There are no limits on the numbers of people who can gather outdoors. Up to 30 children from organisations can go to residential centres over the summer holidays

From Saturday 7 August (if conditions allow) all of Wales will move to alert level 0.

### Northern Ireland

The rules that apply in Northern Ireland are [HERE](#). With effect from today, 26<sup>th</sup> July 2021, up to 15 people from any number of households can meet in a private garden.

The Department of Health has launched [a new 'COVIDCertNI' app](#) enabling users to apply for and show proof of vaccination for international travel purposes only.

### UK Vaccines Delivery Plan

Over [46.5 million people](#) across the UK had received the first dose of a COVID-19 vaccine and over 37 million had received their second dose, by the end of 24<sup>th</sup> July 2021.

### **International travel**

The [red, amber and green traffic light system](#) for people entering England remains in force and fully vaccinated people returning to England from most, but not all, countries do not need to quarantine. Countries can be moved rapidly between lists if conditions change. [Individuals may sign up for government email alerts](#) so that they can be notified when conditions for entering England are updated.

### **Dates of interest**

#### **Monday 16<sup>th</sup> August 2021:**

[Self-isolation will be removed](#) for fully vaccinated adults in England. This means that if an individual is fully vaccinated or under 18, they will not be required to self-isolate following close contact with someone who has COVID-19. They will be required to take a PCR test and self-isolate if the test is positive.

## Annex A

### RESOURCES: UK government guidance and related advice

**Information updated at 18:00 Monday 26<sup>th</sup> July 2021**
